

BNAUGHTY UNLEASHED PREMIUM

The Bnaughty Unleashed is one of B Swish's most popular and versatile toys. Nominated in 2012 for the Best New Luxury Product at the "O" Awards, the Bnaughty Unleashed infuses originality with creativity. This 7-function remote controlled bullet massager is perfect for couple play. The bullet boasts a tapered, lightly pointed head that targets whichever of your sweet spots you're out to please, working wonders on the clitoris, nipples, around the head of the penis, perineum and butt. The bullet is equipped with a cord for easy retrieval.

This massager is perfect for couples play with the remote control which has a range of approx. 3 meters. The remote itself is slim and sleek, with two buttons, one for power, and the other to cycle through the functions. The bullet is water-resistant, you can take it into the shower or tub, but don't get the remote wet, as it is not waterproof.
